SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

What is it about Hungarian and Czech women like Britney and Caty that make men around the world want to lay at their feet? Could it be those years spent shut behind the former Iron Curtain? Their undeniable beauty? And what did they do to amuse themselves during that time? As the fall of the ol' curtain made headlines around the world, a collective sigh of relief was heard. Men reached up to wipe the sweat from their foreheads. Then, a simultaneous gasp of pleasure was heard as a stunning array of succulent female flesh started to reveal itself. Men reached down to their trousers in gratitude.

— Harry, Toronto

Look at Roxy and her comrade in arms, Ava. Their lovely silky skin. Lush lips, flowing hair. We personally never seen a couch worked so well before. These babes can add themselves as epidermal ornamentation anytime! If any of you out there are ass men (as so many of us are), get a look here, splayed to impart the jewels of their womanhood within. These girls know what happens to men's psyche when denied the most simple and basic element: sex. Wasting no time for lost time, touch they do, and in so many intimate ways. As evidence by their photos, they seem to like each other and the sexual charms both men and women adore, don't you think? We know you don't mind. We certainly don't. And neither do they!

Wishful Thinking

Nina North

Us: We're in at a cafe on Ventura Boulevard in Encino today and find Nina already there and waiting with her hot mocha. She looks great with long brown hair and a sexy, but modest, tube top. Her shoulders look tan and her skin is flawless.

Hi Nina, I hope you haven't been waiting long. Traffic was a bitch.

Nina: No worries, It took me twenty minutes longer also and I just live a few miles away.

Us: Yeah, with this L.A. traffic, how do you manage to get to your shoots on time?

Nina: On time? (giggles) Hardly ever. But everyone working on the projects understands the foibles

of L.A. traffic and try to accommodate for it. But I'm a bit of an on-time freak so I've never been more than a half hour late for any shoot.

Us: We're big fans of breasts, but nice, natural breasts are a real turn on. Do you find more calls because of your naturals boobs.

Nina: I think I do. Many say that are big, but I don't see them that way. Girls like Ava Adams have big boobs.

Us: Ava's are indeed big, but there are many examples of big and yours are almost there.

Nina: I don't know if that's a compliment, or not. But I don't see them as big, and I'm okay with that.

Wishful Thinking

Nina North

Us: They are perfect but let's move a little lower. In the movies we've seen of you, your mound and pussy are clean shaven. Do you prefer it that way?

Nina: You know, that's a really tough question. My pussy lives in two worlds. By that I mean, for my work, I like having a shaved pussy. I know many guys and girls I have sex with like that also. I know that the camera loves a clean pussy, too. But they take a bit of work. Shaving, Brazilian, stubble pain. Ugh. And that can be a few times a month. And then you have to keep your insides clean and fresh. Lotta work.

Us: You seem like you take a pragmatic approach to sex. Have you ever just let go and do something you surprised yourself with in a sex scene?

Nina: Yeah, but nothing lately. I think my biggest surprise is when I did my first lesbian scene. I had been into boys my whole life, but when I started doing photos and movies, I was asked to be with women, and at first I hesitated. I thought it was out of my comfort zone. Kiss a girl? Eat pussy? Shove a dildo in her? I hadn't even played around with girls in college. Believe it or not, it took a few tries to get used to it, and that was with only one girl. When I did a three-girl shoot, that was pretty awkward at the beginning, but it really helped that the other two girls were pros and took their time with me and my hesitations.

Us: Now, it seems, you go girls all the time.

Nina: No, I do both and I like both. I've even done three ways and again that was a bit of a challenge at the start. It was easier for me to do a boy-boy-girl scene because I knew what to do with cocks, but sharing a guy with another girl was a bit of a learning curve for me.

Us: Before I turned on the recorder, you mentioned that you wanted to go to Europe and have some fun there. What did you mean by that?

Nina: Yes, that has been a dream of mine. I want to see France and Spain. They feel for foreign to me than England. I'm not

looking to work, yet. I just want to see a couple countries and experience them. Eventually, I wouldn't mind doing a little work there, but not on my first trip or two.

Us: Is there anyone who catches your eye there?

Nina: Not really, I'm not that into the specific talent there, but I have to admit, many of those Eastern European girls are just stunning. And almost all of them are natural.

Us: Nina, if you don't mind, I'd like to turn the recorder off and talk a little bit more with you. Would that be okay?

Nina: Of course, I'd like that.

TIME TO PUT YOUR COCK HERE, TOO

WILL FLIRTING WITH A NEW NEIGHBOR GET YOU LAID?

She just moved into the apartment complex and I found her irresistible. I had to find a way to bed her so I tried my best flirts, but will they work?

I HADN'T FLIRTED SINCE MY HIGH SCHOOL DAYS

I just moved to Phoenix. My transfer was six months in the making, but I finally did it. I'm 26, somewhere around six foot, and in pretty good shape. I was sent here to supplement the underwriter's office. The Phoenix market was booming and a lot of insurance has to be purchased, so here I sit in the heat and sunshine. Being from Boston, I'm not used to all this heat. Recently I decided to vacate the corporate apartment they had been leasing for me and get one of my own in Tempe. While Phoenix is huge, I decided to get a more modern place to live – with a fitness facility, lap pool, and garage where I can park my car. It's nice here and there seems to be a younger crowd living in the neighborhood because of Arizona State University.

So I've been living here for about three months when I bumped into my new neighbor Stephanie. She's about five foot seven with ample breasts and a tight little ass guys dream about. She has long blonde hair with an oval face and full pouty lips. She's about 20 and is a third year student at ASU. She and I have been flirting at the complex' pool and sometimes talk about taking things between us a little further, but we never do. So today, it seemed that she enjoyed my flirtation because she flirted right back. We were sitting at the pool bar and she would brush my leg or squeeze my thigh as the alcohol dimmed our senses, but I didn't mind. One time she caught me looking at her boobs when her nipples were pushing hard against her bikini top. I looked away but she patted my butt as if to say 'it's okay.'

One Friday afternoon, I heard a knock on my door about 1 pm and when I answered it was Stephanie at the door with a large bag from a take-out Chinese restaurant. She asked if I would have lunch with her since she brought enough for two. I looked in the bag and said "Sure, but only if I can open some wine." We both laughed and headed for the kitchen. She laid out the food and I popped the cork on a nice bottle of Pinot. I tried to make small talk and listen to hers but that was difficult to do with her there in her shorty cut-off jeans that clung to her firm ass and the low cut top that barely covered her areolas. As I looked closer, I realized she wasn't wearing a bra, and again she caught me sneaking a peek at her cleavage. Of

BLAIR-NTS-09

course, my cock stiffened up and I was embarrassed to get out of my chair. She was leaning on the counter a few feet away when she caught me looking and then she smiled at me and said, "It's nice when a man notices a woman."

I think I blushed and she took a couple steps over to me and in a flirty voice says, "You should get back to work. I'm sorry I kept you so long," knowing full well that I probably would not go back to work. I told her it was okay. That I was just wrapping it up for the day, anyway. After some more flirty talk and horny from the wine, I looked at her and said, "Well, since you didn't bring any dessert..." She put a finger to my lips and replied "Actually, I did."

Leaning over, she gave me a soft kiss on the cheek and slid her lips over to my lips. With her head bent down, she no-

ticed the bulge in my pants and ran her hand down there to check if it was me – or my keys. I felt her squeeze the hard flesh through my pants and she lightly tongued me as she did. I reached behind her and put my arm around her waist and slowly slid it down to her butt. She reached around me and pulled me up and out of my seat.

Turning away from me, she asked if I would bring the wine glasses into the living room. I said I would and poured a couple more inches into each of them as I watched her walk out of the kitchen. Ah! Those booty shorts made me hotter and harder. As I entered the living room, I saw her drop the straps off her shoulders and watched as her top fell to the floor. Ha! Just as I thought. No bra. Then she dropped her cut-offs. She also wasn't wearing any panties. Now her naked body stood in front of me and it was even sexier than I ever imagined. She took a glass from me and took a sip, looking at me straight into my eyes. She was like an ethereal drawing of pure sex.

I stared at her perfect breasts with their light brown nipples. Stephanie turned sideways, bent down and picked up her clothes off the floor and tossed them on a chair. "Are you ready for dessert?" she said. As she straightened up and walked over to me, I gave her a kiss and began running my hands over her body. I could tell she was as hot as I was as she began pulling off my shirt, and not even undoing my belt, jammed her hand down my pants and grabbed my throbbing cock. With her free hand she undid my zipper and pulled it out.

Stephanie stroked it a few more times, she knelt in front of me still stroking my cock. She reached in my pants again and yanked out my balls. She looked up at me with those angel eyes and asked if that felt good. I moaned something stupid, but she did not even bother to wait for my answer. Her mouth opened wide and she engulfed my cock using my balls to pull it in. After several minutes, she pulled her mouth off my cock and sat down on the edge of the sofa. She leaned back and spread her legs. My clothes were off in a Boston minute and I knelt in front of her and started to lick her dripping wet pussy. I put my arms under her knees and lifted her legs so I could get a better angle at her clit. I poked my tongue into her slit and she moaned for more. I pulled away and inserted my index finger, then added another as she squirmed and wiggled at their intrusion. Then she reached down and pulled my cock into her wet pussy and arched back at my first thrust.

As I penetrated her again and again, her pussy squished each time and I felt her get wetter and wetter. Her juices ran down my balls and thighs. I reached under her and grabbed both butt cheeks and used them to pull her hard onto me as I pushed and pulled my cock into her pussy. I felt the big build up inside me and began to pound her even harder. She could tell I was about to cum and she reached under to grab my balls and give them a good squeeze. Well, that was too much for me and I shot a huge load deep into her wet pussy. Worry not dear reader... she whispered that she was on the pill

Now it was her turn. I was still hard and pumped into her some more. Stephanie ground her hips into my cock. Then, with me still in her, I reached under her back, pulled her off the sofa, did a 180 and sat on it. Now she was riding me. She seemed to like this position and began bouncing up and down on me as I grabbed her breasts and gently squeezed as she came with a big grin on her face. She fell forward onto my chest and I pulled her closer smelling the fragrance of her hair. Slowly we got horizontal and as we lay there on the sofa in our sweat, she was playing gently with my cock and balls. I asked if we could do it again. She bent down and kissed the tip of my cock and said she'd be happy to bring dessert over again tomorrow.
